* Spreads may widen during volatile market conditions and during economic releases.

DMM FX does not solicit business in Japan or the U.S. DMM FX does not accept applications from those residing in Japan or the U.S.
Risk Warning: DMM FX Australia Pty Limited (ACN 160 659 290) (DMM FX) is an online trading company offering clients the opportunity to trade in over-the-counter derivatives such as margin foreign exchange contracts, contracts-for-difference (CFD).
DMM FX holds AFSL number 437734. Investing in over-the-counter derivatives carries significant risks and is not suitable for all investors. You could lose substantially more than your initial investment. When acquiring our derivative products you have no entitlement, right or obligation to the underlying financial asset. DMM FX is not a financial adviser and all services are provided on an execution only basis. DMM FX is authorised to provide general advice. Information provided is of a general nature only and does not take into account your objectives, personal circumstances or needs. DMM FX recommends that you seek your own independent personal financial advice before you decide to invest in our products. A Product Disclosure Statement (PDS) for our financial products and our Financial Services Guide (FSG) are available on this website or can be obtained free of charge by calling DMM FX on (+61 2) 8039 1800 when we offer products. The PDS and FSG are important documents and should be reviewed prior to deciding whether to acquire, hold or dispose of DMM FX's financial products or services.
